# AROUND THE GOLF COURSE

The course is open, and we continue preparations for hosting the NCAA Regional, ensuring top-tier conditions for the event. As we move through this rainy stretch of spring, current course conditions will persist, so players should plan accordingly. Our team is hard at work maintaining the greens and fairways to provide the best possible experience for every golfer. We appreciate your patience and look forward to welcoming you out on the course this season!

In the Pro Shop, new FootJoy apparel has arrived, and we have even more Peter Millar pieces coming soon for spring—stop by to check out the latest styles!

Additionally, we are still looking for more teams for our Women's League, which begins May 21. This league features a variety of fun formats played in two-person teams. If you're interested in joining, please reach out to Anthony Barrett at [anthony.barrett@troon.com](mailto:anthony.barrett@troon.com) to sign up or with any questions!
